Subject: Recommendation for Vatsalya Samajik Sanstha Naldurg

I am pleased to recommend Vatsalya Samajik Sanstha Naldurg for their outstanding contributions to national development and social service. As a not-for-profit NGO based in Tuljapur taluka of Dharashiv District, their initiatives have significantly impacted critical areas such as cow breeding, healthcare, youth empowerment, support for widows, environmental conservation, and education for orphans.

One of the most commendable aspects of Vatsalya Samajik Sanstha Naldurg is its inception by and for women. Their focus on assisting widows, abandoned individuals, orphans, and single women in society reflects their commitment to uplifting marginalized communities. Through initiatives like providing sewing machines, poultry farming, vermicomposting projects, and goat rearing, they have effectively empowered these women to achieve self-reliance.

The organization's dedication to sustainable development and youth empowerment is evident in its multifaceted activities, including efforts towards gender equality, cultural preservation, arts, sports, agriculture, career workshops, environmental conservation, and access to clean water. Their comprehensive approach is aligned with the objectives of the Sustainable Development Goals, making a significant impact in their operational area.

I endorse Vatsalya Samajik Sanstha Naldurg for their work which is not only commendable but also essential for the overall development of our community.
